# NEWT GINGRICH

50th Speaker of the United States House of Representatives, author and Fox News contributor

SATURDAY, FEBRUARY 17, 2018

THE RITZ-CARLTON BEACH RESORT, NAPLES • 280 VANDERBILT BEACH ROAD, NAPLES, FL.

NEWT GINGRICH is well-known as the architect of the “Contract with America” that led the Republican Party to victory in 1994 by capturing the majority in the U.S. House of Representatives for the first time in forty years. After he was elected Speaker, he disrupted the status quo by moving power out of Washington and back to the American people.

Recognized internationally as an expert on world history, military issues, and international affairs, Newt has published twenty-seven books including 14 fiction and nonfiction New York Times bestsellers.

Speaker Gingrich launched the Center for Health Transformation in 2003, and continued there in a leadership role until he stepped down in 2011 to seek the Republican nomination for President of the United States.

*“LEADERS MAKE THINGS POSSIBLE. EXCEPTIONAL LEADERS make them inevitable. Newt Gingrich belongs in the category of the exceptional.”*

- Lance Morrow, Time Magazine

*“What Newt Gingrich imagined in the 1970s, that’s the world you live in today. Paul Ryan exists in reality because of the imagination of Newt Gingrich four decades ago. You literally can’t tell the history of American politics in the 20th century without mentioning his name.”* - Van Jones - cohost CNN’s Crossfire
